

“Radio Frequency Measurement Technology for Future Power Amplifiers and Transmitters”

KKS Dnr 2006/0231

Project News

26th of November 2007

Project Management Council Meeting in Norrtälje. Combined with a factory tour at NOTE and a Workshop

30th of November

Dissertation Niclas Björzell, “Modeling Analog to Digital Converters at Radio Frequency”, Doctoral Thesis in Telecommunications, Time: 13.00, room: 99:131 at University of Gävle, Kungsbäcksvägen 47, Gävle.

14th of December

Dissertation David Wisell, “Measurement Techniques for Characterization of Power Amplifiers”, Doctoral Thesis in Telecommunications, Time: 13.00, room: 99:131 at University of Gävle, Kungsbäcksvägen 47, Gävle.
