Get Started with Your Studies!

To get started with your studies please follow these three steps. More information at hig.se/newstudent

- 1 Collect Your Computer Account**
 You can collect your computer account at webkonto.student.hig.se two week before the semester starts. Your computer account consists of a username and a password and gives you access to the University web services.
- 2 Register in the Student Portal**
 You must be registered on the course to attend lectures and to sit exams. You will lose your place on the course if you do not register in time. Please register for your course in the Student Portal at studentportal.hig.se

 Period for self-registration in the Student Portal: 2017-01-16 – 2017-01-22
 Are you conditionally admitted? [This is what applies to you](#)
- 3 Log in to Blackboard**
 The Blackboard platform is a web-based learning management system where you find your course material. The day after you registered in the Student Portal you can access your course in Blackboard. Log in via the Student Portal.

Course Organisation

The course is given as an online course and contains primarily a number of lectures that are released once a week, always on a Tuesday. The number of lectures is approximately 15 in total. Information about the lectures, access and schedule for releases can be found on Blackboard after January the 16th. The course introduction will be accessible from Tuesday February, 7th at 09.00 AM (time zone GMT+1 hour).

You can find the syllabus and literature by clicking the link on the first page. It is highly advised that you acquire the course literature as soon as possible. The best way to get started with the course is to start reading as early as possible and keep reading regularly.

The course examination will be in the format of specific questions given three times during the semester. There will also be a literature seminar over the internet. More information will be given on Blackboard during the course.

Communication

We will communicate through the learning platform Blackboard and there are no meetings at the University of Gävle. You need to have access to a reasonably modern computer, preferably with a broadband connection to the Internet. Your computer also needs to be able to read PDF documents and view Flash content. More information about this will be available on Blackboard.

It is important that you as soon as possible get your computer account. After the 16th of January you will be able to login to Blackboard and enroll to the course.

Should there be any problems with your enrolment please contact Helpdesk at the University of Gävle through mail blackboard@hig.se or by phone +4626648700, Monday - Friday at 9:00-12:00 AM (local time, GMT + 1 hour).

Course Evaluation

After completion of your course a web-based course evaluation questionnaire will be sent to your HiG e-mail address. Your answers in the course evaluation are very valuable and your comments will help us to improve and to develop the course for the next implementation. All students registered on the course will receive a course evaluation report where all answers are compiled.
