Course ID in Bb VT16_24109

Period for enrolling From January 11th

Course Organisation

The course is given as an online course and contains primarily of a number of lectures that are released once a week, always on a Tuesday. The number of lectures is approximately 15 in total. Information about the lectures, access and schedule for releases can be found on Blackboard after January the 11th. The course introduction will be accessible from Tuesday February, 8th at 09.00 AM (time zone GMT+1 hour).

You can find the syllabus and literature by clicking the link on the first page. It is highly advised that you acquire the course literature as soon as possible. The best way to get started with the course is to start reading as early as possible and keep reading regularly.

The course examination will be in the format of specific questions given three times during the semester. There will also be a literature seminar over the internet. More information will be given on Blackboard during the course.

Communication

We will communicate through the learning platform Blackboard and there are no meetings at the University of Gävle. You need to have access to a reasonably modern computer, preferably with a broadband connection to the Internet. Your computer also needs to be able to read PDF documents and view Flash content. More information about this will be available on Blackboard.

It is important that you as soon as possible get your computer account. After the 11th of January you will be able to login to Blackboard and enrol to the course.

Should there be any problems with your enrolment please contact Helpdesk at the University of Gävle through mail blackboard@hig.se or by phone +4626648700, Monday - Friday at 9:00-12:00 AM (local time, GMT + 1 hour).

Course Evaluation

At the end of the course you will be asked to fill out an evaluation form and we encourage all students to give feedback on the course.

Once again, welcome to the course and good luck with your studies!
