Time zone: CET (UTC+01)

University: Vienna University of Technology

Webb:[https://www.tuwien.ac.at/en/tuwien\\_home/](https://www.tuwien.ac.at/en/tuwien_home/)

Fun facts: The great Viennese tradition of the *Kaffeehaus* (coffee house) was founded after the Turks fled the city of Vienna in 1683, leaving behind a large quantity of coffee beans. Since the 19th century, the coffee houses have been an indispensable social part of Viennese middle class and intellectual life.
