GEFLETEKNOLOGERNAS INTRODUCTION WEEK 22–29 AUGUSTI

What is the introduction week?

The first time as a student might be a bit overwhelming, that's why we have Inspaken. A week filled with fun activities where you get to know people that you will have contact with for the rest of your studying time. The first day you get "kidnapped" by the "phaddrar" and then an exciting week awaits you!

Why would I want to be at the introduction week?

To easier get into the student society. Think about a week with faces were everyone aims toward the same goal! You also get to see what Gävle and the university (except the studies) has to offer.

Who should I follow?

Phadder – A TechnoVOX-phadder wears an overall in the color of bordeaux or yellow. Bordeaux is the color for Gefleteknologerna and yellow is for VOX. It's your phaddrar that will be with you at the duration of insparken and they will try to make it as good as possible for you! Your phadder will be able to answer your questions and try to solve problems that arise.

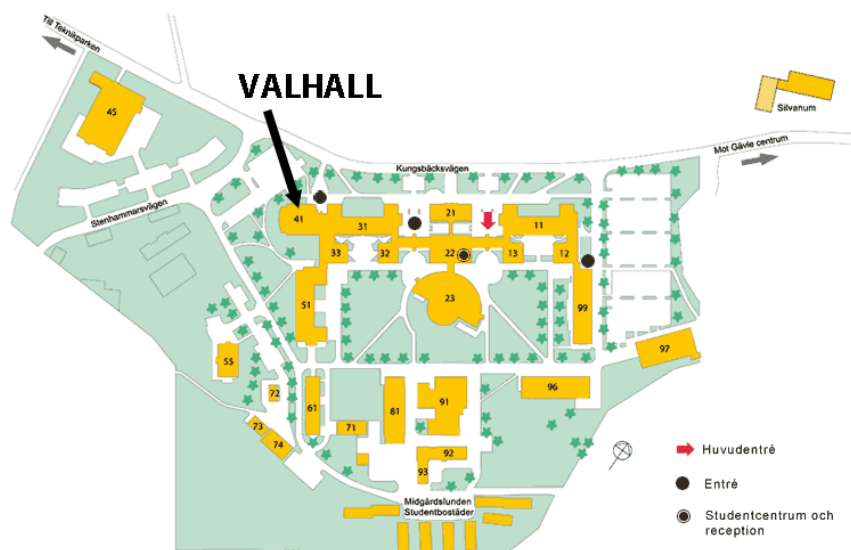

Überphadder – Wears an overall in the color of bordeaux or yellow AND a green shirt where it says ÜBER on it. They have the main responsibility on Trossen and Insparken. They can also answer some of your questions.

What will the introduction week cost me?

To be able to attend all activities at the introduction week requires a so called Insparksband (a bracelet) that will cost 379 kronor, with this bracelet you'll have acces to all the pubs, the fun activities at kåren and a membership at Gefle Student Union for your first term at the University!

Where should I be?

22 August at 12.15 in Valhall, room 41:204 at the University of Gävle.
