We have an organization secretary and a studentombud who are employed. We also have a president, a vice president and an event manager. The latter three are students who have resigned from or completed their studies at the university and are elected to work at their posts for 1 year.

We work with things such as ensuring that your education has as high quality as possible, student representation to enable you to be represented in councils and boards where decisions are taken, student housing for more and more varied housing for you with fair rents and a whole lot more.

In addition to that, we also work with different study social issues and arrange different events so you as a student are also welcome outside the studies.
