## Course Organisation

Course introduction is week 35 and at that time the course is also available at Blackboard. Consult the course's schedule at the link above for a brief outline of the course.

The examination consists of two mandatory assignments and two compulsory seminars during the course as well as a written exam at the end of the course. The written exam is the main examination item. The dates for the written exam and the re-exam are available at the schedule at the link above. The written exam can be taken off-campus.

There are no compulsory meetings during the course.

## Communication

Communication during the course is during lectures, through Blackboard and email.

## Registration for Written Exams

Registration for exams, including retakes, via KronoX is mandatory. You can register no earlier than five weeks before and no later than ten days before the exam. Please note that registrations will not be accepted beyond this time frame. If you are a distance study student and are unable to sit the exam on campus you can apply to sit the exam at another location. Applications must be submitted no later than three weeks prior to the exam. Contact your faculty for more information.

## Course Evaluation

After completion of your course a web-based course evaluation questionnaire will be sent to your e-mail address. Your answers in the course evaluation are very valuable and your comments will help us improve and develop the course for the future. All students registered on the course will receive a course evaluation report with all answers compiled.

## General Information

### Library

The library is located in the middle of the campus and is open to everybody. Welcome to the library to activate your entrance card as a library card. You can reach all digital resources such as e-books and e-journals after logging in with your computer account.
