

Welcome to University of Gävle and the course Fluid Mechanics, distance course 6 credits

This course is a half-time between weeks 10-16, spring semester 2017.

Your course coordinator is Mr Taghi Karimipanah, tkh@hig.se 026-648734

Syllabus

Syllabus with course litterature

Get Started with Your Studies!

To get started with your studies please follow these three steps. More information at https://mxit.gov/higs-started-nt/

- Collect Your Computer Account
 - You can collect your computer account at <u>webkonto.student.hig.se</u> two week before the semester starts. Your computer account consists of a username and a password and gives you access to the University web services.
- 2 Register in the Student Portal

You must be registered on the course to attend lectures and to sit exams. You will lose your place on the course if you do not register in time. Please register for your course in the Student Portal at studentportal.hig.se

Period for self-registration in the Student Portal: **January 16 - March 05**, **2017**. Are you conditionally admitted? This is what applies to you

3 Log in to Blackboard

The Blackboard platform is a web-based learning management system where you find your course material. The day after you registered in the Student Portal you can access your course in Blackboard. Log in via the Student Portal.

Course	Fluic Mechanics 6 cr
Course code	ETG306
Application Code	26719
Faculty	Faculty of Engineering and Sustainable Development
Faculty secretary	Eva Wännström
Contact Information	ewm@hig.se, 026-648815

Course Organisation

It is a distance course and it is expected to start in week 10

Registration for Written Exams

Registration for exams as well as retakes via KronoX is mandatory. You can register no earlier than five weeks before and no later than ten days before the exam. Please note that no post-registrations will be accepted. If you are a distant education student and are unable to sit the exam at campus you can apply to sit the exam at another location. Applications must be submitted no later than three weeks prior to the exam. Contact your faculty for more information.

Course Evaluation

After completion of your course a web-based course evaluation questionnaire will be sent to your HiG e-mail address. Your answers in the course evaluation are very valuable and your comments will help us to improve and to develop the course for the next implementation. All students registered on the course will receive a course evaluation report where all answers are compiled.

Please contact me if you have any further questions about this course:

Eva Wännström (course administrator) ewm@hig.se

Do not forget to register in the student portal during the specified time period (170116-170305)

Good luck with your studies!
